## BELVAL

The Belval has a medium-width face and simple square body, providing a light weight style that is especially suited for smaller hinged doors requiring fine lines.

Handles fit direct to the frame. Small handles work well and small knobs are ideal.

	Belval Frame	Application	
		Hinged Door	✓
		Drawer Front	
		Bi-fold	✓
		Top Sliding	
		Bottom Sliding	
		Lockable	
		Lift up (aventos)	✓
		Flap door	✓
		Pull out (Pegaso)
