CALAIS

Medium-width aluminium face gives discreet edging just wide enough to fit a handle directly to the frame without drilling the insert.

Note: the Calais, Brittany and Cayen frames share the same frame body and fixings, giving a choice of three different faces for the same broad range of applications.

Calais Frame	Application	
	Hinged Door	✓
	Drawer Front	✓
	Bi-fold	✓
	Top Sliding	✓
	Bottom Sliding	✓
	Lockable	
	Lift up (aventos)	✓
	Flap door	✓
	Pull out (Pegaso)	✓
