

F102 S - Continuous "L" Handle - Solid Cutting Confirmation Sheet

Thank you for your order. To minimise the risk of error when manufacturing, please confirm the dimensions on our cutting sheet match your requirements.

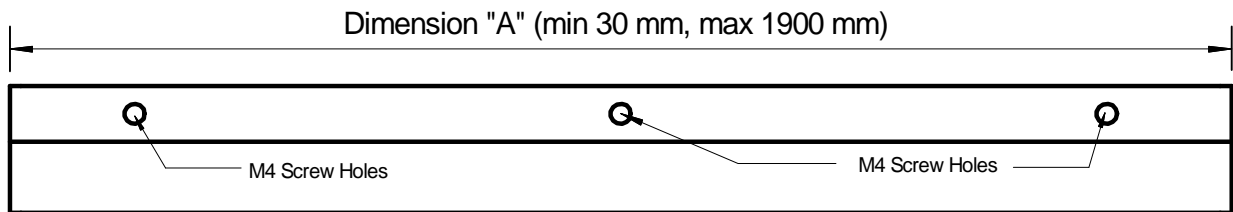

Customer:.....

Your Order No:.....

Address:.....

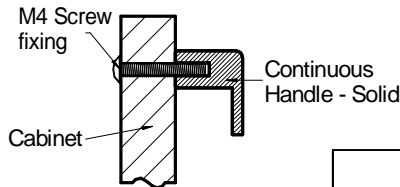

Date:.....

Colour Finish :	<input type="checkbox"/>	Brushed Inox <small>(Similar colour to Stainless Steel)</small>
-----------------	--------------------------	--

Notes on standard hole drillings :

- Hole distance from end is set to clear sides of drawer body in case handles are full width
- Maximum hole ctr - ctr is set so very little flex under load, critical if handle is flat against board to stop ends gouging into board and loosening attachment

Standard hole drillings (mm) :

Handle Length ->	Short	Longer
Length from :	30	301
Length to :	300	1900
Hole dist from end :	10	60
		Maximum hole ctr to ctr : 500

Hole centre distances from 1 end (mm)
Customer to fill in ONLY if non - standard
(standard as above, middle holes evenly spaced)

Qty	Length	Board Thickness	Hole 1	Hole 2	Hole 3	Hole 4	Hole 5

Please Note: Custom made goods are non - refundable

Please confirm / complete the above size dimensions and quantities. Date and sign below then fax back to us on the above number and your order will be placed into our production schedule.
